Registered in England No. 1249156

Report of the Directors for the year ended 31 March 2015

The directors present their report and the accounts of the company for the year ended 31 March 2015.

Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable standards have been followed, subject to any material departures described and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal Activities and Future Developments

The principal activity of the company is to manage the communal areas of the estate. The company will continue to manage and maintain the estate as it has done in previous years.

Review of Business

A summary of the results of the year's activity is given on page 2 of the accounts.

During the year the activities of the company remained as in prior years. The directors believe that the present level of reserves is satisfactory. The reserves of the company are held to fund the cost of future major maintenance with the intention of minimising the need for an additional substantial charge to residents at the time such works are carried out.
