Newsletter of the Manor Farm (Seer Green) Management Company Limited (MFCo)

Welcome to your latest newsletter and thank you for your continued support. This newsletter is only sent to home owners on Manor Farm Estate. If you know a resident who has not received it then please forward this on.

1) Matters related to Manor Farm Company

Annual Service charge

Firstly, many thanks to all of you for prompt payment of this year's service charge, which was paid by virtually everyone by the end of April. **Prompt payment reduces the administrative burden**, as it means less time is spent on reminders. Barring unforeseen circumstances, the Directors will endeavour to keep the 2016/2017 service charge at the reduced 2015/16 level.

Gardens

We hope you think the gardens and greenery on the estate look nice. Jenny Guerin and her team have continued to work hard on maintaining the gardens through ongoing pruning and planting, which are for the benefit of all shareholders. Some replanting in the main green borders is scheduled for the autumn. Please keep pets and children off the beds to avoid damaging young plants.

Annual General Meeting

The 2015 Manor Farm Company AGM will be held on **Wednesday 24th June at 7.30pm** at the Baptist church. Everyone is welcome.

Your email address

In order to not miss out on any discounts for prompt payment, **please ensure we have your up to date email address**. We prefer to communicate the annual service charge invoice and the AGM notice by email which helps us keep costs down. Please send your email address to MFCo@SeerGreen.org.uk if we do not have it.

Property Transfers

All property transfer documents connected with MFCo are available at www.seergreen.org.uk/transfer. Please instruct your solicitors to access this website page when you are selling your property. The *Supplementary Charge* you need to pay for the work we do in connection with a property transfer is now £100 to help defray costs.

IMPORTANT - Planning permissions & covenants

Most of you will be aware of the **special covenants** and **planning regulations** which control development on the estate. However, as we have a number of new residents, we thought we would highlight these again.

Please remember that **planning approval is required** from the Company for changes to your property. Permission is normally given if consent has already been granted by the Council, but note that **permitted development rights do not apply** on the estate.

The rules exist to **preserve the open and green nature** of the estate - from which we all benefit - and **the Directors are duty-bound to uphold them**. These relate to **conservatories** and **extensions**, in addition to **walls, fences** and even **private gardens**.

In particular, **front gardens** and **land at the rear of some properties** must be maintained as **unenclosed green areas** for the benefit of the estate. Further information can be found on our website www.seergreen.org.uk. However, **if in doubt please contact us if you have any questions**, ideally before starting a project. We are here to help!

Directors & Expertise

Peter Jones, one of our directors, is stepping down. The Directors are grateful to Peter for his work and he has kindly agreed to look after the website for another year. However, we will need to find a replacement for him and we would like to hear from anyone with IT skills who would be willing to support the website. Indeed, the Directors are always keen to hear from people working in areas such as **property, planning and the legal field** who could provide expertise, either as a board director or on an adhoc basis.

2) Matters not related to Manor Farm Company

Dog fouling

We have received complaints about dog fouling on the common areas (and sometimes front gardens) on the estate. Even clearing up after your dog may not prevent unpleasant or even health issues for others who also use the grass, notably small children. Please keep your dog on a lead on the estate and **ensure that it does not defecate on the common grass areas**.

Parish Magazine

If you are new to the estate and would like to have the Parish Magazine delivered, please contact **Monica Sado**, who also runs the Eight O'Clock club, on the number below. The magazine costs £7 per annum, paid in advance, or 70p per copy if you move in mid-year.

Eight O'Clock Club

The club, which was founded in 1982 as a social group for village residents, meets in the evening to enable working people to attend. We have regular attendees of all ages and everyone is welcome. Meetings are held in the Parish Church Hall, Chalfont Road at 8.00pm, usually on the first Thursday of the month. Each meeting is advertised around the village and in the Parish Magazine. The cost is £3 to include tea/coffee and biscuits. Please contact Monica Sado on 01494 677851.

Parking & Driving

Please consider the needs of emergency vehicles and do not park vehicles on grass verges as they obstruct the Company's gardeners and may get damaged by flying debris. Please **drive slowly** on the estate roads to protect residents and visitors, especially children and the elderly.

Thames Valley Police/Neighbourhood Watch

Thames Valley Police operate a service whereby residents can receive messages of crime alerts, witness appeals, crime prevention tips etc. for the local area. If you want to sign up, you can register at www.thamesvalleyalert.co.uk.

Enjoy the summer! **The Editor**
